Implementing 5 Core
Features

Professional Certification

FULL-STACK ENGINEER

ISSUED TO

Jehan Fernando

This certificate acknowledges the completion of the 4-month Full-stack Engineer Professional Certification Course. The recipient has mastered the MERN Stack (MongoDB, Express.js, React.js, Node.js) and developed a feature-rich E-commerce platform with 5 customized features. Congratulations on this achievement!

A stylized, handwritten signature in black ink, appearing to read 'Jehan Fernando'.
